Screening to
date for
Women and
Men: 61.5%

Online Booking
Launched April 2024
209 online
appointments
booked.

Suggestions from our Annual Survey

- Requesting an appointment as soon as they call.
(We are working on Supply and Demand Data)
- Request for support groups
(Valerie our new Social Worker is working on program development)
- Request for things to be sent via email like handouts.
(We have implemented secure messaging via OCEAN and utilize this for handouts and sending clients information.)
